2025 IMPACT REPORT STUDENT TESTIMONIAL

I first discovered A Continuous Charity and the Deccan Legacy Fund through Instagram—and it couldn't have come at a better time. As a medical student committed to serving underserved communities, especially in the greater Houston area, ACC has allowed me to pursue my education without compromising my values by taking on interest-based loans.

This support means more than just financial relief. It's helping me stay grounded in my purpose: to return to communities like my own and serve as a Muslim physician who gives back. I'm deeply grateful to ACC for investing in my future, and I look forward to continuing this partnership as I grow in my career and in service to others.
