2025 IMPACT REPORT STUDENT TESTIMONIAL

As a returning applicant to A Continuous Charity, I'm incredibly grateful for the support I've received while pursuing my graduate degree to become a Physician Assistant. I immigrated from Somalia as a refugee in 2006, and ACC's Refugee Support program has been especially meaningful to me. It's not just about financial assistance. It's about being seen, supported, and empowered. While working as a Housing Coordinator, I've been able to continue my education with Shams' Legacy Fund's help, and that has made all the difference.

Looking ahead, I want to continue giving back to ACC. I've already told friends about the program, and my brother-in-law is ready to help support as well. One day, I hope to contribute through donations so future students, especially those from refugee backgrounds, can benefit just as I have. I'm proud to be part of this mission.
