## A Continuous Charity & Tayba Foundation

Supporting Incarcerated Muslims Through Education

### Overview

In Fall 2024, A Continuous Charity (ACC) distributed \$12,000 in Zakat funds to the Tayba Foundation. This sponsorship enabled 10 incarcerated Muslims to pursue structured Islamic education, covering tuition, books, and learning materials. The initiative empowered students to remain engaged in their studies while building leadership and resilience behind prison walls.

### Why It Matters

Zakat is a divine trust meant to uplift the vulnerable. By directing Zakat to incarcerated Muslims, ACC relieved financial barriers and created opportunities for sacred knowledge. As the Qur'an reminds us: 'And establish prayer and give Zakat, and whatever good you put forward for yourselves – you will find it with Allah' (2:110).

### A Ripple of Barakah

What began as a \$12,000 Zakat grant became a seed for transformation. Each student's journey is a testament to the power of knowledge and the mercy of Allah. ACC is honored to partner with Tayba Foundation to ensure that even behind prison walls, the light of education shines on.
